November, 2015

Dear Sir or Madam:

As you may know the state judicial election is now approaching. As a result, I am seeking extended support to obtain 4,000 signatures primarily from the Rogers Park and North Shore areas before November 26, 2015. The workers need to be a United States citizen and over the age of 18. The pay rate is \$1.00 per signature an average of about \$10.00 per hour.

I really could use the help, time is getting tight. Please have interested workers visit our website at voteforben.org and download documents at the campaign workers link or call me immediately for papers, additional information and to get paid. Should you have any questions or concerns please contact me via cell phone, (773) 968-8512. Thank you very much for your continuous support.

In addition, please be advised the Chicago Food Panty has a new schedule, every Saturday, 9:00 a.m. to 11:00 a.m.

Most Sincerely,

Ben Myers
